HERE'S WHY *everyone loves* THE DAILY BREAD

THERE IS SOMETHING FOR EVERYONE

If you are watching what you eat, we have many choices for you including our very popular Big Time Veggie sandwich loaded with lots of fresh veggies on our freshly baked Sunflower Wheat Demi. You can also choose one of our healthy but satisfying salad selections with seasonal fruits, nuts & cheeses.

OUR SEASONAL FAVORITES

Our handmade bakery items have become a popular gift item for many. Look for seasonal favorites in our bakery such as our popular Blueberry Pie in the summer & Apple Pies in the fall. We also bake tons of cookies all year but especially during the holiday season beautifully packaged to take home or as a gift for someone special. Look for seasonal favorites on our Café menu too! We offer new and unique sandwiches, soups and salads throughout the year.

THE GREAT PEOPLE HERE TO SERVE YOU

Whether you come in for a cup of coffee or have a catering event for 500 people, we will bend over backwards to make you happy. We all have a passion for excellence & strive to make your Daily Bread experience the best every time you visit us.

OUR LOCAL FAMILY OWNERSHIP

We are not part of a chain or franchise. We are a Kirkwood family with deep St. Louis roots. We love and support our surrounding community & give back any way we can. We know almost everyone that walks in our doors, let us get to know you!

WE HAND-ROLL ALL OF OUR BAGUETTES

Every baguette & loaf we sell was hand shaped by our talented bakers. After a long fermentation & multiple folds each loaf is created by careful scaling & shaping before it is baked in our hearth oven. It takes a long time to master the technique but the results are worth it.

WE MAKE IT ALL FROM SCRATCH USING ONLY THE BEST INGREDIENTS

You can't make great food without great ingredients. From our famous Mountain Cookies to our White Chicken Chili, we make it all right here using quality ingredients like real vanilla extract, real butter, fresh local produce, fresh eggs cracked one at time. These ingredients cost more to use but we know you can taste the difference.

WE HAVE INCREDIBLY GOOD COFFEE & ICED TEA

We buy our green coffee beans & loose leaf tea directly from the importer. We blend & roast our beans daily in our store, and brew both our coffees & teas bold & strong. The result is the freshest tasting, full-flavored coffee & iced tea you have ever had.

WE ROAST & SMOKE OUR FRESH MEATS & FISH

We season and slow roast our beef & house smoke our fresh chicken & salmon.

fresh. local. goodness.
